Announcements: Next meeting of the APC will be 8:30-10:30 February 8, 21012 in SJ325.

Old Business. Discussion continued on the documents from the Graduate Leadership Council, the Retake Policy, Standards and Progress Policy, and the Guidelines for the Development of Bachelor's Plus Master's (BPM) Degree Programs. Feedback from the SOEAP was received by J. White and included in the discussion.

Retake policy: Discussion resulted in suggested wording changes to enhance clarity and a request that the annotation policy be confirmed with the Registrar's office.

Standards policy: Discussion resulted in suggested wording changes to enhance clarity.

BPM: It was proposed that Senate Doc 10-01 be amended to reflect current practices and that the clarification proposal be added to Doc 10-01 as an appendix. The Committee voted unanimously to support this proposal. Additional wording changes were suggested to enhance clarity.

The proposed edits will be shared with Brad Duncan, Associate Dean of Graduate, Professional, and Continuing Education for changes and brought before the APC for final approval.

The Committee also discussed concerns raised by members of the SOEAP regarding communication with the Graduate School on policies impacting a significant number of their students and representation on the GCL. These concerns will be brought up to Brad Duncan by the APC chairperson when they discussed proposed wording changes in the documents.

Meeting was adjourned.
